

# The “Anyone can cook Experience” FAQ:

## What is a Themed Tea?

Throughout the year, we offer special themed tea services. While we will always remain an Alice in Wonderland tearoom, our food and desserts will be inspired from other great characters in literature or popular culture.

## What is the “Anyone can cook” experience?

This theme is inspired by the Disney movie Ratatouille and will include a traditional Afternoon Tea with a twist.

Instead of the traditional tea sandwiches we usually serve on the bottom tier, we will serve sandwiches ingredients in a charcuterie board style. This will allow you to create your own delicious tea sandwiches.

The other tiers will continue to feature the traditional Afternoon Tea offering (scone and desserts).

## Is this experience an actual cooking class?

No. This is a traditional afternoon tea. The only difference is that you are making your tea sandwiches instead of them coming ready to serve.

There is no “class” or any guided experience for this theme.

## How much does this experience cost?

Adult menu is \$39 per person and child menu (3-11 yr old) is \$30 per child.

## Can I bring my 4 year old to the experience?

Yes! our dining-in experience is designed for children as young as 3 years old.

## What is a traditional themed Afternoon Tea?

A traditional Afternoon Tea is served on a three-tier stand. The food will be decorated after the theme tea.

The Afternoon Tea three tier stand will include:

The bottom tier is full of hearty savories that can include different types of unique sandwiches and quiche (for this theme you will get sandwiches ingredients to create your own tea sandwiches).

The middle tier holds freshly baked warm scones with fruit preserves and Devon cream.

The top tier overflows with delicious and decadent themed sweets and desserts guaranteed to leave a smile on all our guests.

But no meal would be complete without a steaming pot of tea.
